**What Designers are saying about Thomasville Nouveau:**

“I’m finding the more I use Nouveau, the more flexibility I find with the line. The half sizes are really helpful. Of course, Nouveau is perfect for those small spaces too”. *Chris Creasy HD0729 Collierville, TN*

Do the right think, even when no one is looking. It’s called integrity.

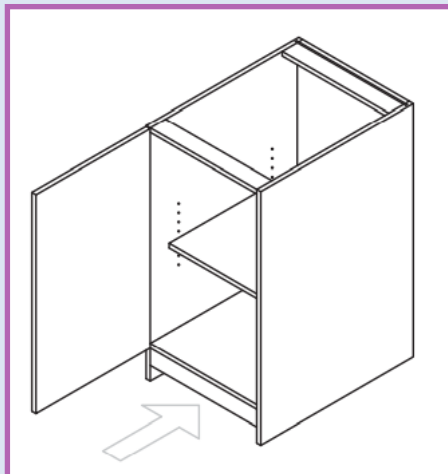

**Modifications**

**Embellishments**

**FINTK-finish flush toekick**

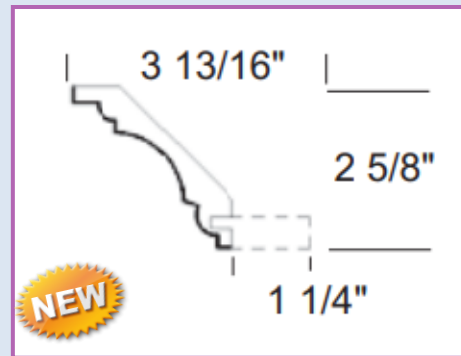

**This option must be used with the FTK –flush toe kick or ITK-Integrated toe kick option.** When used with FTK, the toe kick will be finished. For Tall cabinets over 84” and up to including 96”, both FTK and ITK must also be selected. For FINTK, matching melamine will be used where material is available. If no matching melamine exists, then a stained veneer, opaque painted, acrylic or gloss thermofoil stile part will be used. For availability, please reference the mod charts in the cabinet sections.

Available on most Base, Tall, and Vanity cabinets
