## What Designers are saying about Thomasville:

“Thomasville has always been the brand that I could go to for the styles and colors my customers are looking for. They also have some of the best organization options”.

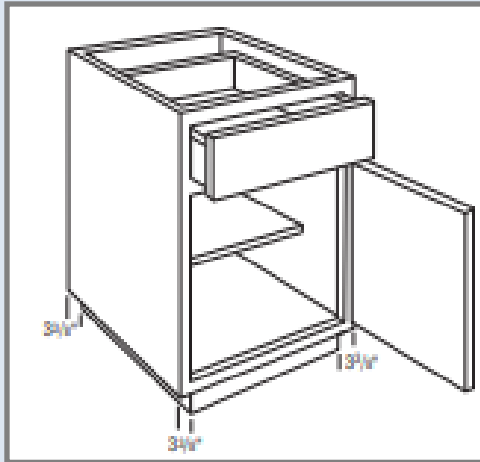

**Chris Creasy HD0729 Collierville, TN**

“When everything seems to be going against you, remember that an airplane takes off against the wind, not with it”. Henry Ford

## MODIFICATIONS

### RECTKALL

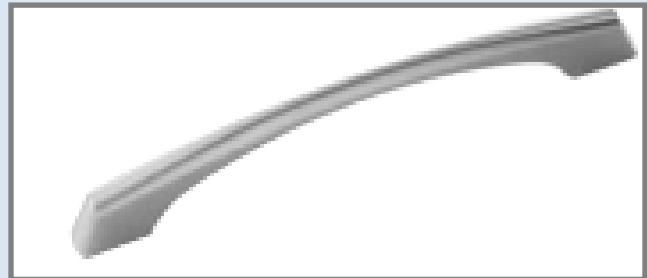

This Modification creates a 3-3/8” recessed toekick on the right, left and back of the cabinet. It’s primarily used for island cabinets but it’s available on most base, tall and vanity cabinets as well as wall cabinets with ADDTK. All cabinets using this modification must be at least 15” deep.

The exposed toekick area must be covered as the entire area will have non-matching material.

**PG.66**
